

## GSE Academy Program

Dear parents and coaches,

Starting on Friday April 28th we will once again be running our **GSE Academy/Cincinnati United partnership training program for girls born in 2010.**

**There will be no additional charge for the event, as the Academy training is part of the SPRING program within GSE for girls born in 2010!**

The Academy program, hosted by Cincinnati United Southeast, (The competitive division of GSE) will be offering training to all 2010 GSE players on Friday nights for 4 weeks during the Spring.

This is an individual player event for your daughter, her team mates and coaches, allowing everyone the opportunity to be involved in the **Academy Program**. Therefore, it is strongly recommended that everyone take advantage of this extra training!

The GSE/CU Academy program is the next step in providing a greater experience for current players within GSE. The Academy program is a player first event and individuals will be grouped together and trained by the professional coaching staff at Cincinnati United, to include some of the most qualified coaches in the region. Many of whom have backgrounds at the collegiate, professional and international level, creating a fun, up beat learning environment.

The Academy program should be used in addition to your regular training. However, your team will also have the option to replace their session with our Academy training depending on available time and field availability.

In addition, your GSE coaches are encouraged to work alongside our professional staff, making this a unique learning environment for all parties involved.

An outline of the structure is below:

<b>Location</b>	Newtown - 3950 Newtown Rd Cincinnati, OH 45244 (Between church and bridge)
<b>Program</b>	(4 weeks) April 28 <sup>th</sup> , May 5 <sup>th</sup> , 12 <sup>th</sup> , 19 <sup>th</sup>
<b>Time</b>	6:15-7:20pm

We encourage everyone to participate in this event as a team or individual. Again, this opportunity is provided at **no cost**, and provides a great opportunity for your daughter and her coaches to continue to improve through extra soccer training.

We are extremely excited to be starting the Academy program again in the Spring and hope to give everyone the opportunity to develop as players and coaches.

Yours sincerely,
