

SCSA Academy Training

Dear Dribblers,

Starting on Thursday August 16th we will begin our **SCSA Academy/Cincinnati United partnership training program for boys born in 2013.**

**You already paid for the Academy as part of your son's fall registration.
There is no additional charge!**

The Academy program, hosted by Cincinnati United Southeast, (The competitive division of SCSA) will be offering training to all 2013 SCSA players and teams on Thursday nights for 6 weeks during the Fall. The SCSA/CU Academy Training is the next step in providing a greater experience for our players within SCSA. The **Academy Training** is a player first event and individuals will be grouped together and trained by **professional coaches from Cincinnati United**, to include some of the most qualified coaches in the region. Many of whom have backgrounds at the collegiate, professional and international level, creating a fun, upbeat learning environment.

When it is in session, the Academy Training will be your team's primary training. Your team can decide whether it wants to hold a second night of training on its assigned practice field.

In addition, your SCSA coaches are encouraged to work alongside our **professional staff**, making this a unique learning environment for all parties involved.

An outline of the structure is below:

Location Newtown (3950 Newtown Rd Cincinnati, OH 45244)
Program (6 weeks) Aug 16th, 23rd, 30th, Sept 6th, 13th and 20th.
Time 5:15-6:15pm

We encourage all teams to participate. Again, this opportunity is provided at **no additional cost**, and provides a great opportunity for your son and his coaches to continue to improve through **professional training**.

We are extremely excited to be starting the Academy program this Fall, and hope to give everyone the opportunity to develop as players and coaches.

Yours sincerely,

Chris Hovde
